

RWE Gas Slovensko supported the Central European Gas Conference

RWE Gas Slovensko supported the 15th annual Central European Gas Conference - CEGC held from June 8 - 10, 2009 at the Radisson SAS Carlton Hotel in Bratislava.

The conference provided an informational platform for the quickly developing industry in Central and Eastern Europe. The conference is held annually in one of the countries located in this region.

The main themes of the conference included the January gas crisis, new services on the natural gas market as well as the competitiveness and safety of gas supplies. Speakers among others included the Chief Executive of RWE Gas Slovensko Miroslav Kulla and the Chairman of the Board of RWE Transgas, Martin Hermann.
